## Murder at The Drac Shack Chalet

An Unusual Suspects Mystery Caper

**FRIDAY, OCTOBER 22<sup>nd</sup>**

Good evening and welcome to Dracula's Chalet located in the heart of the Swiss Alps. Aristocrat and recently retired bloodsucker, Count Dracula is your new host, owner and lounge singer. Faithful servant, Igor and friend Frieda Frankenstein are there to lend a hand. Unfortunately business hasn't exactly been booming. But when a bus breaks down near the hotel with both Van Helsing's great grand-nephew and Muffy the Vampire Slayer onboard, it creates a situation of monstrously funny proportions. Will Dracula's night club career die when exposed to the light of day or will he just keep on vamping.

*Doors Open at 6:30pm*
